Dear Radio Society of Tucson,

I am writing to request four QSO cards for contact on 3-15-25 for your K7T Special Event at the Titan missile museum. I was mobile with my Elmer and two fellow HAMS. We all got to make contact with you at 21:52 UTC from Rosamond, California. It was me, Laura WA6PBM, my Elmer Brian N6CVO, Ged N6JED and John KN6VL. We were testing an off center fed dipole antenna 132 ft long that I had made the weekend before. I am fairly new to the fun and am learning so much from these three. I thought a QSO card for each of us would be a great memento of the fun we had that day.

Thank You,
Laura
